

# OUR SCHOOL

Our rigorous academic program ensures graduates are well-equipped to thrive as they move on to top local high schools. We offer advanced math, music, art, and Spanish.

Our faith-based education fosters development of strong values and good character, which students embody through service to our community.

After-school enrichment includes Choir, Sports, and Visual & Performing Arts including annual concerts, and a theatre program.

## Our Mission

In partnership with the Assumption of the Blessed Virgin Mary Community, we guide our students to grow in love, understanding, and practice of their Catholic faith, to realize their individual academic potential, and to be responsible citizens who are Christ-like in their service to others.
